# Show Information

Dancers and their families can find which show(s) they are in on our website, ([starrdanceco.com](http://starrdanceco.com)) under the "Recital" tab. Please look through this list carefully, as some dancers are asked to be in multiple shows! Dancers must arrive 30 minutes before showtime, ready in their costume with their hair and makeup done, as we do start on time. The show is typically about 2 hours long, and some have a brief 10 minute intermission. One family member will sign their dancer in and this same family member must pick up the student. The dancer will stay in the dressing room with SDC staff and volunteers throughout the entire show. Our room workers will help your dancer change costumes, shoes and assist them with anything else they need. Our dressing room for our younger dancers has coloring books, movies, etc. to keep them entertained while they are not on stage.

When you arrive to the dressing room, please make sure all of your dancer's stuff is clearly labeled, especially dance bags, garment bags and shoes. This helps keeps your dancer, the dressing room and the entire show organized. We recommend you bring a water for your dancer, but we prohibit food in the dressing room to avoid costumes getting ruined.

Dancers in multiple shows are welcome to bring a nut-free meal for in between shows, in addition to a change of clothes/cover up to avoid making a mess on their costumes.

Q: When will I get my costume?

A: Costumes are handed out in the spring! We provide a garment bag with your costume, tights and any accessories that come with the costume.

Q: What if my dancers needs me during the show?

A: Since we give assigned seating, we know exactly where you are and a staff member is able to get you if needed.

Q: Can I request handicap/accommodated seating when I give my ticket form?

A: Yes! This venue has handicap seating and we will do our best to accommodate all dancers and their families. Please write on your ticket envelope if you will need accommodations.

Q: Can I pick my dancer up after they are done dancing?

A: At dress rehearsal, once your dancer has completed their final dance (combo classes have two dances), you can sign your dancer out and go! At recital, dancers must stay through the entire show. We have a special finale that involves all of our dancers - from youngest to oldest!

Q: Can I visit my dancer at intermission?

A: No, we do not allow parents/guardians in the dressing rooms at all during the show, including intermission.

Q: Do I come back to help change my child's shoes and/or costume?

A: No, the SDC Staff/volunteers will handle this. We are aware of all dancers with multiple costumes. This is why we ask for you to clearly label everything. You get to sit back, relax and enjoy watching your dancer and all of their hard work pay off!

Q: How do we do our dancer's hair & makeup?

A: Please visit page 5 to see exact hair and makeup requirements per class. Tutorials can be found on YouTube.

# FAQs

Q: What shoes do we need for the recital?

A: All shoes can be found under our “Rates & Policies” page on our website.

Q: Should my dancer show up in their recital costume?

A: Yes! Your dancer should show up to the venue ready to dance!

Q: What happens if my dancer’s tights rip?

A: We have tights available for purchase at the recital.

Q: What will my dancer be doing during the show?

A: In our dressing rooms, we have coloring pages, games and movies playing while your dancer is waiting for their turn to shine on stage!

Q: What time should I arrive at recital?

A: You should arrive 30 minutes before your show time.

Q: When will we get recital videos?

A: The recital videos take a couple of weeks to finalize, and will be emailed out to SDC families during the summer.

# Dress Rehearsal Schedule

Dress Rehearsal is a great opportunity for our dancers because it helps them prepare for their big show day, but also familiarizes the families and the dancers with the environment to help ensure the success on the days of our actual recitals! Below you will find our information for our dress rehearsals, including the day and time your dancer(s) need to be there. Please read through carefully and make sure your dancer arrives for the right class AND right recital time. Dancers in multiple classes may have to be there on different days.

**Dancers must arrive to dress rehearsal in their costume with their hair and makeup already completed. If your dancer is in multiple routines, please make sure that all of their shoes, costumes and accessories are clearly labeled. Please have a clear garment bag with all costumes, shoes and accessories. This helps us and your dancer stay organized!**

We ask that you stick to the arrival time given to you, to help us be prepared for your dancer and avoid an overflow of classes coming at once. These times are assigned to help us run smoothly, on time and avoid delays.

Only one parent/guardian is permitted at dress rehearsal per family. Upon arrival, you will check your dancer in and they will be guided to the proper dressing room. No parents/guardians are allowed backstage. Parents/guardians remain in the auditorium while the dancers are rehearsing. A SDC staff member or volunteer will help your dancer change their shoes, costumes, hair, etc. You get to enjoy the show! After your dancer is done, they will be escorted back to the dressing room, and you may sign out and pick up your dancer. **THE SAME PARENT/GUARDIAN WHO SIGNS THE DANCER IN MUST SIGN THE DANCER OUT!**
