

Studio Guidelines for Covid19

- Drop off and pick up only ages 7 & up (must be on time)
- Students will remain in their vehicles until they see the class before they leave the studio
- Bring ONLY 1 bag with shoes & water
- One by one each student will be let inside & hands will be sanitized
- Student will be guided to designated cubby & dance area
- Masks are mandatory for all students except our Tiny Toe dancers
- Studio will be cleaned weekly as well as inbetween classes.

Virtual Option

We understand that not all families may feel ready to be back in the classroom. This season we are offering a virtual option for ALL classes.

With our audio and visual equipment it makes it easy to take class over Zoom. The mobile TV can move around the classroom in order to get the best view of the teacher, depending on the dance discipline. Please reach out to the studio if you feel like virtual is the best option for you!
